

**LITOPENAEUS VANNAMEI**

## VANNAMEI FEED

### GENERAL INFORMATION

Ananda enterprises (India) Pvt Ltd produces Vannamei Feed which is rich in nutritional properties and very stable and ensures the maximum result in prawn culture. Since feed management is a key factor for pond water quality, specially formulated ANAND brand feed provides an extended water stability by means of process control and carefully selected raw ingredients from all over the world. The Fish meal which is one of the major raw materials in the feed formulation is derived from its own facility with enhanced quality providing quality protein contribution to the feed. Starter feeds are in the form of crumbles and available in 10 kg & 25kg BOPP bags however grower and finisher feeds are in 25 kg BOPP bags.

### Features of Anand Brand Vannamei Feeds

- Better growth rate
- Better F.C.R
- Better digestibility
- Better yield and reduction in production cost.
- Better water stability and maintains water quality.

# HACCP
